Legislation

The Insurance Adjusters, Agents and Brokers Act was assented to on June 17, 1986. This Act is a major revision of the laws respecting insurance adjusters, agents and brokers. The Act is not proclaimed into force to date, and work is continuing on the Regulations to the Act.

I would also like to take this opportunity to express my sincere appreciation to all facets of the insurance industry for their cooperation and assistance during 1986. I hope we can continue to work together in the future to provide consumers with a well-regulated and secure insurance industry, as the upcoming years promise to be challenging ones for the financial sector.

Respectfully submitted,

Paul Tapper
